For a Better Community

2017 Annual Support Campaign

For Youth: Closing the Achievement Gap

Youth need a place to develop and grow with their peers. By providing a safe environment for children and teens to develop social and academic skills, the Y ensures every child has the opportunity to succeed. From keeping kids reading in the summer at our day camps to teaching teens marketable skills at our computer clubhouse to providing college tours, the Y supports youth every step of the way.

For Health: Spirit, Mind and Body

Far beyond being simply a gym, the Y provides signature programs to keep people well, no matter their background. Through initiatives such as LIVESTRONG® for cancer survivors, SilverSneakers® for active older adults and Safety Around Water for kids who may not otherwise get the chance to learn how to swim, the Y is committed to improving the health and well-being of everyone in our community. At the Y, everyone can live a healthier lifestyle and find encouragement on the path to good health.

For Our Neighbors: Making Military Life Easier

Through special events, membership support and outreach, the Y demonstrates its appreciation for the servicemen and women in our community by providing a safe environment for their families to connect and grow stronger. With multiple deployments and the uncertainty of what's ahead, military families can depend on the Y to help ease some of the stress associated with life in the armed services.

For Our Community: Access for All

At the Y, strengthening the community is our cause. We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health and our neighbors. That's why we focus our work in three areas: youth development, healthy living and social responsibility. From exercise to education, volleyball to volunteerism, swim lessons to scholarships – the Y is here for all.

For a Better Us.™

Region Campaign Goal: \$1,000,000

Where some see obstacles, the Y sees opportunities for its members, volunteers and staff to make a difference.
