CAMP SHADY BROOK MISSION: To effect positive change in our community by creating opportunities in the outdoors for personal growth, leadership development, and the building of relationships through exceptional camping experiences.

CAMP SHADY BROOK STAFF: The quality of our camp staff is of the utmost importance. We select and employ over 40 individuals to be role models to our campers. This ensures a 1:7 staff to camper ratio in the cabin. Staff is selected through a competitive screening process that includes thorough reference and background checks. Upon hiring, all staff complete a rigorous two-week training that includes child abuse prevention, diversity, emotional support, peer mediation and risk management. All staff are CPR and First Aid certified and all waterfront staff are lifeguard certified.

BEHAVIOR MANAGEMENT: Camp Shady Brook staff have been trained to handle behavior that does not align with CSB's community standards with methods that are constructive and place an emphasis on redirection, restorative justice, and providing opportunities to learn from mistakes. Our team believes that campers deserve to play an active role in setting the expectations for themselves and their peers. At the beginning of each session, campers develop and sign an "agreement" for their cabin group in a staff facilitated forum. Camp Shady Brook reserves the right to send a camper home at the parent's expense if the camper's behavior consistently takes away from the experience of others or endangers the safety of him/her or others. If a camper is sent home, the parent is responsible for transporting the camper from camp and is expected to respond in a timely manner. Refunds will not be processed for campers sent home for discipline reasons. Additionally, the parent will be held financially responsible for damage to equipment or facilities caused by the camper.

DISABILITIES: If your child has needs that require specific attention, please contact the camp office. Our team will make all reasonable attempts to accommodate the needs of all campers.

INCLUSION STATEMENT: Camp Shady Brook is made up of people of all ages and from every walk of life working side by side to strengthen communities. Together we work to ensure that everyone, regardless of ability, age, cultural background, ethnicity, faith, gender identity, ideology, income, national origin, race or sexual orientation has the opportunity to reach their full potential with dignity. Our core values are caring, honesty, respect, and responsibility - they guide everything we do.

HEALTH SCREENING: Upon arrival at camp, parents will gain the opportunity to have a discussion with the Camp Medical Professional regarding the general health of your camper and any potential changes to the health history form or medications. Your honesty with all your answers is important, as the health and well-being of campers is our priority. Anything abnormal will be addressed privately with the camper's family. A camper may be asked to attend a different session if he/she exhibits signs of illness.

During check-in, staff will perform a head lice, temperature, and communicable disease check. This check considers the health and safety of all campers. If any health concerns arise, the camper will be sent home for treatment. Campers are welcome to return when the health concerns are addressed. Campers will not be readmitted to camp without a note from a physician.

TELEPHONE CALLS AND VISITS: At Camp Shady Brook, we strive for campers to develop independence. An integral part of this growing process is the extended experience away from home. In keeping with this practice, we do not permit campers to call home. In addition, we ask that families wait until check-out to visit camp so that campers and staff may focus on the programs we run. In the case that a family needs to speak to or visit a camper, please arrange this with the Associate Executive Director and/or Executive Director ahead of time. Parents are welcome to call the camp office during their child's stay, and care packages and letters/cards are well received in substitution of a family's visit.

COMMUNICATION FROM CAMP: We will contact parents in case of the following:

- An emergency or illness
- Behavioral problems that may result in the camper being sent home
- Camper involvement in a social situation that places him/her at risk
- Severe cases of adjustment challenges

Parents are welcome to call the Associate Executive Director and/or Executive Director at 303.647.2313 with concerns, emergencies, or for a camper status update.

CAMP TRADING POST: The Trading Post is open for campers to purchase snacks, apparel, and merchandise one time per week. You can deposit money into your camper's account and view balances at any time by logging into your CampIntouch account and clicking on the "View Accounts (camp store)" tab. Your camper will not be permitted to spend over his/her credit, so please leave enough money for his/her needs. On average, campers deposit between \$20 - \$50 in their account. Prices range from \$1 for a snack to \$15 for a T-shirt, or more for a sweatshirt or sweatpants. The Trading Post is often a child's first experience with buying items on credit. Please discuss this responsibility with your child.

Refunds to the Trading Post can only be issued for amounts over \$10. Remaining funds can be spent at the Trading Post or donated to the Camp Shady Brook Annual Campaign – helping less fortunate children experience our program. Refunds must be requested no later than two weeks following your child's departure from camp. Refunds are not available at check-out but will be processed at request within 2 weeks of the session's end.

CAMP MAIL SYSTEM: We also offer the Camper Mail system during check-in. Families can bring pre-written letters or large envelopes with their camper's name on them and drop them in the receptacle that corresponds with the day they would like them to be delivered. Large envelopes cannot exceed 11x17 inches in size. This service is at no charge to our parents and guarantees a timely delivery to each camper.

CAMP STAMPS & CAMPER EMAILS: Through the CampIntouch account, families can purchase "camp stamps" and send one way email messages to their camper. Camper emails are printed and delivered to campers on a daily basis.

USPS MAIL: Mail is a treasured item at camp. Parents, friends and family are encouraged to write letters to their campers. It is a good idea to send letters in advance to camp so that they are there on the first day. Likewise, campers are encouraged to send mail to their family and friends. Packing pre-addressed and pre-stamped envelopes is a good idea. Please address all mail to the following address:

Camper Name/Cabin Name (you will be told this at check-in)
 YMCA Camp Shady Brook
 Session Name
 8716 South Y Camp Road
 Sedalia, CO 80135

MEDICATIONS: All medications (including over-the-counter medicines and “as-needed” medications) must be turned in to the Camp Health Manager upon arrival at camp. **Please do not pack medication in luggage.** We encourage families to include only enough medication for the child’s stay. Medications are distributed during mealtimes and bedtime.

Please be sure:

- Medication is in original container and labeled with the child’s name and address as well as the phone number of the pharmacy with the practitioner’s name*
- All state required forms for both over the counter and prescription medications have been completed with both a parent/guardian and physician signature and have been uploaded into your account 2 weeks prior to the session start.
- Current and correct dosage is listed*
- Medication is listed on the child’s “Physical Exam Form”
- Medication is from a licensed pharmacy
- Medication is not expired.

***We cannot dispense medication that is not in its original container, and we can only dispense the dosage in the manner prescribed. If the medication needs to be dispensed differently than how it was prescribed on the bottle, you must bring a letter signed by your doctor stating the new dosage.**

EMERGENCY MEDICATION: It is our policy to keep all campers’ medications during camp. However, if a parent requests, in writing, that emergency medication is kept with the camper, we will honor that request, provided the camper can demonstrate responsibility for the use and possession of the medication. Any misuse or misplacement of the medication during the camp session will be cause for the inhaler to be kept at the Health Center. All campers with emergency medication must also be accompanied with a signed emergency care plan from the prescribing physician.

INSURANCE: CAMP SHADY BROOK DOES NOT CARRY ACCIDENT OR SICKNESS INSURANCE ON SUMMER YOUTH CAMPERS. In the event of serious illness or accident, the parents will be notified at once. Parents/guardians are responsible for prescriptions and charges incurred for outside medical treatment of their child, should services be required while in attendance at camp. Services rendered by the camp medical staff are at no additional charge. Families are highly encouraged to have insurance for their children while they are at camp. If you do not have insurance for your child, short term or student insurance can be purchased through any independent insurance agent. For families in financial need, you can contact CHP Plus (Colorado Health Plan) at 800.359.1991 or 719.630.6440 ext. 6279 or the Department of Human Services and inquire about Medicaid at 719.444.5340. Your local school system can usually help in obtaining insurance for your child as well.

IMMUNIZATION: There may be campers enrolled in camp that are not immunized. The following is a notice that the Colorado Division of Child Care requires all child care facilities to post for parents/guardians.

Dear Parents,
Your child was recently enrolled in a child care program that is licensed by the Colorado Department of Human Services. The license indicates that the program has met the requirement standards for the operation of a child care facility. If you have not done so, please ask to see the license. Most licensed facilities make every effort to provide a safe and healthy environment for children. Unfortunately, on rare occasions, an incident of physical or sexual abuse may occur. If you believe that your child has been abused, you should seek immediate assistance from your county department of social services. The telephone number to report child abuse in your county is listed below.

Douglas County Human Services Department
101 Third Street
Castle Rock, CO 80104
303.688.4825

Colorado law requires that child care providers report all known or suspected cases of child abuse or neglect. Child care services play an important role in supporting families, and strong families are the basis of a thriving community. Your child’s educational, physical, emotional and social development will be nurtured in a well planned and run program. Remember to observe the program regularly, especially with regard to children’s health and safety, equipment, play materials and staff. For additional information regarding licensing or if you have any concerns about a child care facility, please consult the Colorado Division of Child Care at 1575 Sherman Street, Denver, CO 80203-1714 or by phone at 303.866.5958.

AS A CAMPER ATTENDING CAMP SHADY BROOK, I UNDERSTAND AND AGREE TO THE FOLLOWING:

- The core of Camp Shady Brook's mission is to effect positive change in our community by creating opportunities in the outdoors for personal growth, leadership development and the building of relationships through exceptional camping experiences.
- CSB is made up of people of all ages and from every walk of life. You will be expected to strive to ensure that everyone, regardless of ability, age, cultural background, ethnicity, faith, gender identity, ideology, income, national origin, race or sexual orientation has the opportunity to reach their full potential with dignity.
- Our core values are caring, honesty, respect, and responsibility – they guide everything we do and are expected to be exemplified at all times.
- You will be expected to be active in all aspects of your group/cabin's program and follow the daily camp schedule. Every program at CSB is offered with a "choose your challenge" mantra. If you choose to not participate in a program opportunity, campers are expected to engage by offering words of encouragement to others.
- CSB staffers are responsible for the safety and wellbeing of all campers, it is imperative that their requests and instructions be listened to, respected, and adhered to.
- Camp Shady Brook utilizes the "truddy system". You will be expected to travel in a group of 3 (never alone or 1 on 1 with a camper/staffer) and can only travel in a "truddy" after asking a staffer.
- Campers are fully responsible for their words and actions while at camp. Campers are expected to always be considerate of others emotions, self-esteem, safety, belongings, and the camp core values.
- All community members are expected to review the "leave it at home" section of the packing list and ensure that they are not bringing any of these items to camp.

A failure to meet the expectations within this **Community Agreement** may result in dismissal from Camp Shady Brook's programs and facility. In the event that a camper is dismissed, an authorized adult is expected to pick up the camper from CSB within 3 hours. Families will be charged \$1 per minute after 3 hours has passed.
