FOUNTAIN VALLEY
YMCA

BECAUSE OF GENEROUS DONORS LIKE YOU, THE FOUNTAIN VALLEY YMCA IS FOR ALL.

The Fountain Valley YMCA is a nonprofit organization that strengthens the foundation of community through youth development, healthy living, and social responsibility. The Fountain Valley Y offers programs designed to challenge, support and nurture those who participate.

Our programs make a difference. We believe so strongly in the importance of these opportunities that we never turn anyone away due to their inability to pay. The Fountain Valley Y is for all; our programs are inclusive and accessible. We believe that everyone in the Fountain Valley Region should have access to programs that help them develop healthy life skills and habits.

One member was going through a major life change and could no longer afford swim lessons for her children or her family's membership to the Y. Rather than disrupt their access, the Fountain Valley Y provided financial assistance to the family, allowing the children to maintain a sense of normalcy and routine, while also learning valuable life skills in our swim program.

MEETING A CRITICAL NEED IN THE FOUNTAIN VALLEY REGION

There are currently inadequate program offerings and safe spaces for middle school and high school aged young people. Tweens and teens in Fountain Valley need a place where they can connect with their peers and caring adults in a productive, safe environment – particularly on nights and weekends.

To meet this need, the Fountain Valley YMCA created innovative programming aimed at middle school and high school aged youth offered at little to no cost. Opportunities like Nerf Wars, teen nights, and Friday Night programming with dinner offer youth in our community the chance to grow and develop healthy habits in a caring environment.

The Y also offers reliable, affordable childcare in the community and provides financial assistance to families in need. Not only is the Y's childcare program affordable, it emphasizes the Y's four core values of caring, honesty, respect and responsibility in a fun environment.

As a partner with the City of Fountain, the Y strives to continually identify community needs, programming gaps, and create solutions to these pressing issues. With your support, the Fountain Valley YMCA can continue to grow and meeting the evolving needs of our community.
