OUR GOAL

To ensure all members of our community receive the services they need to succeed.

FOCUS AREA #1 SENIOR ADULT ENRICHMENT

Need: The Garden Ranch community is a community in transition. Many of the residents are retired and the population is aging rapidly.

Our Vision

- All Seniors should have access and opportunity to participate in activities designed specifically to their needs
- Senior members will have the opportunity to participate in social events that speak to their needs and wants.
- The community should have access to Health Based programs such as LIVESTRONG® and Parkinson's Program.

We believe the Garden Ranch YMCA has the ability to support our senior population and provide positive social experiences.

FOCUS AREA #2: YOUTH ENRICHMENT

Need: Positive peer relationships are key to the success of youth in our community. Club programs will provide a safe environment for our youth to grow and learn.

Our Vision

- Youth in our community should be exposed to social activities at the youngest age possible.
- Parents should have an outlet to be able to participate in programs alongside of their children to enrich their relationship.
- Activities such as Y Stem Club, Lego Club, Arts Club are activities that will stimulate youth's growth both mentally and socially.

We believe that youth in our community can be successful through activities that focus on team building, innovation, and generative thought.

FOCUS AREA #3: DEVELOPMENT OF SAFE SPACE

Need: Youth and adults alike need a space to feel as though they are welcome and safe in their community. The Garden Ranch community is void of any location other than the YMCA that serves this purpose.

Our Vision

- All programs offered should facilitate a welcoming environment and provide positive staff interaction to all participants.
- Through the Annual Support Campaign the Garden Ranch YMCA can provide opportunities for anyone in the community to experience the positive environment of the YMCA.
- Positive interactions with other members of the community can lead to generative thought and can have a positive impact on community relationships.

We believe that the Garden Ranch YMCA has the ability to provide activities that will foster a positive and safe environment for any member of our community who needs a place to feel welcome.
