THE ESSENCE OF THE Y
With a commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility, the YMCA of the Pikes Peak Region ensures that every individual has access to the essentials needed to learn, grow and thrive.

EVERYONE IS WELCOME
The YMCA welcomes all who wish to participate and believes that no one should be denied access to the Y based on their ability to pay. Through our Community Support Campaign, the YMCA of the Pikes Peak Region provides assistance to youth, adults and families based on individual needs and circumstances.

COMMITTED TO OUR COMMUNITY
Determining assistance amounts is handled by YMCA Family Centers in a fair and consistent manner. Every Y member receives the same membership benefits, regardless of whether or not they receive assistance. YMCA members can feel confident knowing that they are part of an organization that cares greatly for the well-being of all people, and is committed to youth development, healthy living and social responsibility.

*Financial Assistance reduces membership fees; it does not eliminate them.

The YMCA requires that individuals and families reapply annually.

If you do not reapply at the time requested, your membership will revert to full pay.

Please contact your Y Family Center if you have any questions.
